

Information about fun swim sessions at Eynsham Community Primary School

Eynsham Primary School pool will be open to any Primary School age children from Tuesday 6th June 2017 for Family Swim Sessions.

These run from 3.15pm to 4.45pm Monday to Friday and continue to run right through the Summer Holidays until early September. These sessions are run by volunteer lifeguards who will wait until 3.30pm daily; if there are no takers for swimming they may close the pool for the day.

The cost of swimming is £1.50 per person (cash only)

Any child under 5 MUST be accompanied in the pool by an adult. Children over 5 can swim without parents being in the pool but parents must stay within the pool area to supervise their children.

Swim Hats MUST be worn by all and we have a no goggle or jewellery policy

The pool can also be hired out for parties and we hope to have swimming lessons in the holidays too. Please keep an eye out on notice boards or email below to be kept informed.

For more information on the pool opening or hiring of the pool please email:
