

**Eynsham School Council**  
**Notes of meeting: Friday 9th February 2018: 1.00 - 1.30**

1. Update from last meeting

a. Badges

Libby and Freddy to meet Mrs Denbow straight after this meeting

b. Fundraising ideas:

Harry had worked on this, and suggested we hold an event in the summer term to raise awareness and fundraise for **Deforestation** and **The British Heart Foundation**

1. Class council responses: There was a really good response to this, with useful Class Council meetings that gave us lots to discuss today. Each Councilor shared their class' views, and the most popular are listed below -

More equipment outside, eg apparatus or trim trail	6 votes
Ice pops on a Friday in summer	1 vote
Litter-pickers	1 vote
More trees and flowers	1 vote

2. The School Council also discussed how lonely children could be helped at lunch and playtimes. Suggestions included a friendship bench, reusing the play leader bus stop, or a 'buddy pool' (a group of children on duty to play or talk to children on their own, or be based at the friendship bench)

3. The next School Council meeting will take place at 1.00 sharp on Friday 2nd March. Before then, each class needs to hold a Class Council meeting where these notes are shared and the following question asked: ***Who would be interested in having an ice pop each Friday lunchtime during the summer?***
