

Across the Sea

Year 2

Key Areas of Learning

We have already enjoyed painting, clue hunting, parachute games, treasure finding and more! Term 5+6 will be a journey around the world using pirate adventures and underwater exploring. Later in the topic we will make it back to the UK, and find out about seaside holidays in the past and enjoy a themed day in school. As always, as much work as possible will be centred around our topic.

English

- *pirate adventure diary writing
- *non-chronological reports on sea creatures
- *seaside poetry
- *letter messages in a bottle
- *fictional stories about creatures across the world

Maths

All areas include problem solving, fluency and reasoning

Unit and expectation

- *time - read quarter to and past
- *position and direction - use clockwise and anti-clockwise rotation vocabulary
- *measure (mass, temperature and capacity) - read scales where not all the numbers are given
- *consolidation – recap of areas taught

Other subjects – science, history, geography, IT, art, DT, MFL, music

Science – plants, lifecycles, investigations
History – to investigate events from the past, to make comparisons
